Billing Reminders

- A white cane for a blind person is a noncovered item and should be coded A9270.
- All canes and crutches should be billed using specific codes listed in the LCD. Do not use E1399 to code
 any type of cane or crutch regardless of special features or weight capacity.
- Canes or crutches which contain a spring that reduces impact and vibration against the ground should be coded with the existing codes for canes or crutches.
