Hearing health plays a big role in how you live and connect with the world around you. That's why many SCAN Medicare Advantage plans include a benefit through TruHearing®, giving you direct access to affordable care — no referral needed.

Your hearing benefit may include:

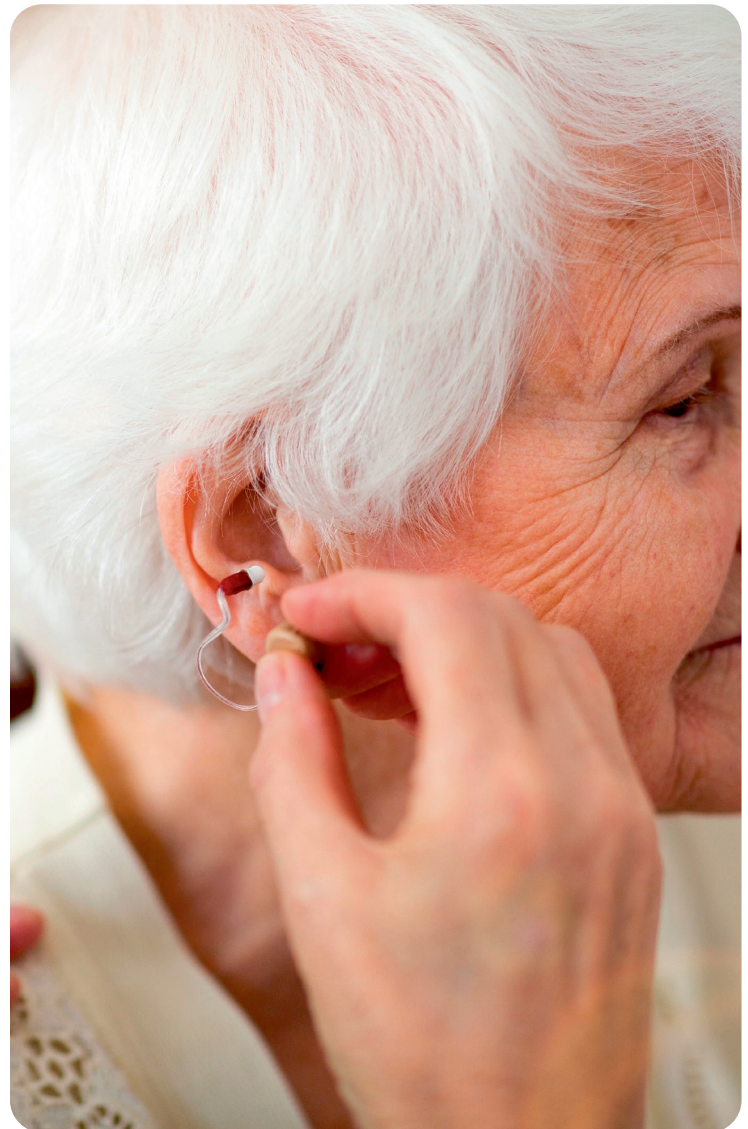

- **\$0** routine hearing exams
- Advanced and premium hearing aids in a variety of styles
- Fittings and adjustments for 1 year
- Free trial and 3-year warranty
- 80 free hearing aid batteries
- Full support from TruHearing consultants, from your first call to your final fitting

How it works:

1. Call TruHearing at **1-844-255-7148 (TTY: 711)** Monday–Friday, 5 a.m. – 6 p.m.
2. Schedule your exam — no referral needed
3. Get personalized recommendations and full support through every step

Hearing benefit availability and coverage vary by plan. The TruHearing benefit is included in most SCAN Medicare Advantage plans, but not all. Copays may apply. Check your Evidence of Coverage for details. SCAN Health Plan is an HMO plan with a Medicare contract. Enrollment in SCAN Health Plan depends on contract renewal.
