Important Notice: Authorization Referral Form must include ICD-10 and CPT Codes; it will be returned for completion of the required information and will delay the approval process. **Documentation supporting medical necessity must accompany referral. If medical necessity cannot be established, referral may be denied. Physician Reviewer is available to discuss the outcome of this authorization at (888) 319-0777 ext 699**

- **Specialists:** If additional services are indicated, beyond the requested and approved services, please submit additional Prior Authorizations with appropriate clinical information to support the request for approval.
- **Hospitalizations**: **ALL Admissions require Prior Authorization**. Please, contact the UM department and/or submit a Prior Authorization hospitalization is needed.

Providers should always verify eligibility prior to rendering service(s) by calling the member's health plan.

- To insure prompt and accurate payment of your fees, ensure the Prior Authorization number is noted on the claim.

Do Not Bill the Patient/Member.
